

Question #	Question	Response
1	Can you please provide the name, contract number, award date and value for the incumbent contractor of these services?	DTFAWA-04-F-00060 - Futon Corporation – the total contract ceiling for the base year and 4 option years is 5 million dollars.
2	Has a contract duration been determined as of yet?	If a SIR is issued based on this responses to this RFI a base year will be award and option years have been considered.
3	Will the place of performance be at the FAA or the contractor's facility?	The FAA does not see the need to have this work performed at an FAA facility
4	If the possible requirement for the Analytical and Technical Engineering Support Services (Solicitation #8229) is a follow on from a previous contract. If so, would you be able to give me the previous contract's information (contract #, incumbent contractor, contract value, etc.)?	Please see question #1
5	Please clarify the apparent discrepancy noted in Attachment 1, "3. Section 2. Qualifications" where on line 4 it states "three anticipated tasks" but lists 4 tasks below?	There will be <b>four</b> anticipated tasks
6	Are their potential OCI risks due to partner company systems manufacturing and launch services provider roles? Specifically, would there be an OCI conflict for anyone doing this work today and downstream work that would entail performing operations of space vehicles?	Any perceived or apparent OCI risks should be disclosed and a mitigation plan should be provided.
7	Also, this opportunity was located at this website <a href="http://www.spaceref.com/news/viewsr.html?pid=312">http://www.spaceref.com/news/viewsr.html?pid=312</a>	Please register with the FAA opportunities website for all updates.

	<a href="#">22</a> ; however, I have been unable to locate it on the FAA website. Can you provide me that location/link as well?	
8	Should consultants that would be hired on a case by case basis for specific tasks on this project be included in the employee count?	No, but mention of their planned use should be mentioned when appropriate
9	Currently applying for SBA certification of a women-owned business. Would the fact that my status is “in process” have an effect on qualifying for this type of proposal?	<p>Women-owned business is a self certification and should be documented appropriately on the business declaration form.</p> <p><i>Note: AMS does not allow direct award to <b>Women-Owned Business</b></i></p>
10	The third paragraph of the FAA’s Market Survey/RFI instructions indicate that the RFI White Paper must be provided electronically in Microsoft Word, RTF, or Adobe PDF Formats. However the Market Survey Submission requirement indicated to submit the document in Word 2003	The submission may be in Microsoft Word, RTF or Adobe PDF.
